RETAIL DRUG AGREEMENT

July 21, 2024 – July 24, 2027

This Agreement is entered into and effective July 21, 2024, and is between Thrifty PayLess Inc. d/b/a Rite Aid hereinafter referred to as “Employer,” and UFCW UNION LOCALS 135, 324, 770, 1167, 1428, 1442 and 8GS, chartered by United Food and Commercial Workers International Union, hereinafter referred to as “Union” and the parties agree as follows:

ARTICLE 1 - MANAGEMENT RIGHTS

1.1 The Employer retains the exclusive right to manage the business, to direct and control the business and workforce, and to make any and all decisions affecting the business, including, but not limited to the following: the exclusive right to plan, determine, direct and control the nature and extent of all its operations and commitments; to determine, install, introduce, remove, discontinue or modify the methods, procedures, materials and operations to be used or to discontinue their use by employees of the Employer; to maintain efficient operations; to hire, train, promote employees; to set standards and methods of performance; to create, modify, and abolish work shifts, the starting and ending times of the work shifts and work schedules; to promulgate, amend and enforce reasonable work rules, regulations, policies and procedures; to determine, modify, change and otherwise set the work duties of employees; to determine, modify, change and otherwise set job content and qualifications; to determine whether to offer light duty and to determine employee eligibility for light duty; to change job content and qualifications; to change job descriptions; to modify the methods, procedures, materials and operations to be used or to discontinue their use by employees of the Employer; to change standards and methods of performance; and in all respects to carry out, in addition, the ordinary and customary functions of management, whether exercised or not. The rights and waivers herein shall extend beyond the expiration of this Agreement until a successor agreement is reached.

1.2 Should a specific provision of this Agreement or State or Federal Law directly conflict with, modify or restrict an enumerated right under this Article, the specific provision of the Agreement or the State or Federal Law shall prevail over the enumerated right.

ARTICLE 2 - BARGAINING UNIT

2.1 UNION RECOGNITION.

2.1.1 The Employer recognizes the Union as the sole collective bargaining agent with respect to work, rates of pay, hours, and terms and conditions of employment for the appropriate bargaining unit composed of all employees, including employees of lessees, licensees and concessionaires (sometimes herein referred to as “leased department”) except as limited below, who perform work within drug stores, food markets, discount stores, and shoe stores presently operated and hereafter established, owned or operated by the Employer within the present geographic jurisdiction of the Local Union. Drug stores are defined as those types of establishments covered by collective bargaining agreements identified as Retail Drug Agreement, - July 21, 2024 – July 24, 2027.

2.1.2 The Union agrees that it will not make claim to any employees of present concessionaires or sublessees who work in the present or future store or stores of the Employer, unless the Union can show its majority representation of such employees within an appropriate bargaining unit. In that event, the Union may take economic action without violating this Agreement.

2.1.3 In the event the signatory Employer should operate discount stores, food stores, or shoe stores within the geographic jurisdiction of the Local Union, the appropriate terms and conditions of employment, as in existence with the other employers operating alike retail establishments, shall be immediately applied by the signatory Employer.

2.2 INCLUDED BARGAINING UNIT WORK.

2.2.1 Current Work. All work performed on the premises in the nature of work generally performed by employees of the bargaining unit shall not be assigned to any person not in the bargaining unit or contracted for with any other union.

2.2.2 Future Work. Any future work of the nature generally performed by retail clerks created by the Employer shall be performed by members of the bargaining unit as herein set forth.

2.2.3 Employee Definitions. For the purpose of this Agreement, the following definitions shall apply:

2.2.3.1 Intern Pharmacist. An intern pharmacist is a non-licensed employee permitted to practice pharmacy under the direct supervision of a licensed pharmacist. Upon graduation, if the graduate intern pharmacist fails to pass the Pharmacist exam after taking the exam two (2) consecutive times, after the second time they may be offered an open pharmacy technician job (if they are currently licensed as a pharmacy technician with the state of California). If the Company has no available positions in the region, they will be terminated and shall have no recourse to the grievance procedure set forth in this Agreement. Employees promoted or hired into intern or graduate pharmacist positions on or after October 1, 2015 shall be excluded from the bargaining unit.

2.2.3.2 Service Associate. Service Associate includes all employees covered by this Agreement, unless designated in a specific job title.

2.2.3.3 Employees. Hereinafter “employees” or “all employees” shall mean employees covered by this Agreement.

2.2.3.4 Full-Time Employee. A full-time employee is one employed and/or scheduled to work forty (40) hours per week. Any employee who is scheduled and works ten (10) consecutive weeks at forty (40) hours per week will be classified as a full-time employee. This requirement shall not apply during the Christmas or vacation season or where an employee is scheduled forty (40) hours due to the absence of another employee in excess of three (3) consecutive weeks. Provided, however, that forty (40) hour weeks worked immediately prior to any of the above exceptions and those worked immediately following the exception shall be considered continual for the purpose of calculating the ten (10) consecutive weeks.

2.2.3.5 Part-Time Employee. A part-time employee is one employed and/or scheduled to work less than forty (40) hours per week.

2.2.3.6 Probationary Employees. The first (1st) sixty (60) calendar days of employment shall be considered a probationary (trial) period for full-time employees. The first (1st) ninety (90) days of employment shall be considered a probationary (trial) period for part-time employees. During such probationary period, an employee may be terminated for any reason, and they shall have no recourse to the grievance procedure set forth in this Agreement. Interns who are promoted to a pharmacist position shall be subject to the above probationary period.

2.2.3.7 Lead Service Associate. Selection of Lead Service Associates and other higher paid classifications shall be determined by giving factors such as seniority, qualifications, performance and intent to remain with the Employer full consideration.

2.2.3.8 Pharmacy Technician. Pharmacy Technicians must be currently registered as pharmacy technicians with the California State Board of Pharmacy and have fulfilled all requirements to maintain this registration and be Rite Aid certified. If any regulations of the California Board of Pharmacy related to Pharmacy Technicians change, the parties will meet to bargain over the effects of those changes.

2.2.3.9 Pharmacy Technicians in Training. Pharmacy Technicians-in-Training will receive a premium equal to \$.50/hour plus the service associate minimum starting rate. This premium will be effective the first full pay period after entering the Pharmacy Technician in training program. Employees hired into the Pharmacy Technician-in-training program will have a minimum starting rate of the minimum service associate rate + \$.50/hour. Employees hired into the Pharmacy Technician in training program may be hired at rates commensurate with their experience. However, employees hired into the tech training program at an hourly rate equal to or above the minimum service associate rate + \$ 2.00/hr. will not be eligible for any of the premium rate increases for the completion of training including tech certification.

For all new employees hired into a Technician-in-Training position, if after six (6) months in the position, the employee fails to comply with California State law concerning certification or with completion of the Rite Aid certification process so that Rite Aid cannot employ the employee as a Pharmacy Technician, that employee may be laid off, in accordance with their seniority as a service associate.

For all employees promoted into a Technician in Training position, if after six (6) months in position (excluding any leave of absences), the employee fails to comply with California State law concerning certification or with completion of the Rite Aid certification process so that Rite Aid cannot employ the employee as a Pharmacy Technician, the employee will be moved into a Service Associate position based on seniority and availability.

Technicians in Training who have completed their Rite Aid certification and licensed in the State of California will continue to receive the position premium pending being promoted and will not be permitted to participate in any pharmacy technician duties or responsibilities as per this agreement. Service Associates who are licensed pharmacy technicians and who perform pharmacy technician duties shall be paid at the current rate + \$1.50 premium or current minimum pharmacy technician rate, whichever is higher, for all hours worked that day.

Pharmacy Technician minimum rate is \$2.00/hour above minimum Service Associate rate which is inclusive of the \$.50/premium previously given as a technician-in-training. Employees must complete the requirements for technician certification, including any company policies and/or screenings (Employer must be in possession of all applicable screening results) and in accordance with California State law licensure. Upon completion of certification and upon a position becoming available a newly promoted pharmacy technician will receive a minimum \$1.50/hour increase to the employee's current rate of pay. During the calendar year that an Rx Technician completes five (5) years in the position, the pharmacy technicians will go to the five (5) year rate effective on the date of the annual across the board increase for that year.

Associates that are currently coded as Pharmacy Technicians, but who have not been Rite Aid certified, must complete Rite Aid certification. Each associate will have six (6) months to complete the training once the person has been given the training materials to start. Any associate that fails to complete the certification within six (6) months will be given two more chances to pass over the next sixty (60) days. Failure will result in the associate being moved into a Service Associate position based on availability and retaining all seniority and the pharmacy technician rate of pay. The individual may elect to repeat the training program and or re-take the test one time per two years at Rite Aid's expense.

The Company will post the pharmacy technician position on the HUB until the position is filled. Associates may sign up to receive email notifications. The posting will include the store number and whether the job is full-time or part-time. Service Associates with a pharmacy technician license and who have passed Rite Aid's Pharmacy Technician certification who bid on such positions will be promoted based on seniority and availability.

2.2.3.10 Delivery drivers who are employed by Rite Aid shall be allowed to receive prescriptions and pharmaceutical merchandise from store locations for delivery to customer's homes and return payment for such to same store locations as needed. The choice of using a delivery driver not employed by Rite Aid will be at the Employer's discretion.

2.3 EXCLUDED BARGAINING UNIT WORK.

The following individuals shall be excluded from the coverage of this Agreement:

2.3.1 Management Exclusions.

2.3.1.1 All stores shall have a total of four (4) supervisory exclusions. Thrifty PayLess Inc. d/b/a Rite Aid shall have these employees excluded from the coverage of this Agreement at its sole discretion. These excluded employees shall be allowed to perform any and all work designated by the Employer within the store or any department thereof without restriction. Twenty-four (24) hour stores may have a fifth (5th) supervisory exclusion.

2.3.1.2 It is agreed that only two (2) excluded supervisory management employees (store manager and assistant store managers) shall be permitted to perform bargaining unit work on Sunday or holidays (excluding load day) where the combined working hours of the store's full-time and part-time employees total less than one thousand (1,000) hours per payroll period.

2.3.1.3 It is hereby agreed that the Company may utilize management exclusions in up to three (3) designated training stores per region for management trainee positions provided the Company complies with the total number of exclusions allowed within the jurisdiction as provided for in Article 2.3. The Company will provide the Union with the identification of the training stores.

2.3.1.4 Managers and assistant managers excluded as set forth in this Article, shall be permitted to perform any work within the store or department without restriction.

2.3.1.5 A department located within a multi department retail establishment shall not be entitled to any exclusion unless it is a concession, in which case there shall be only one (1) overall manager excluded, regardless of the number of such departments involved.

2.3.1.6 In said concession, leased or subleased departments, where the Employer is actively engaged in the performance of Service Associate's work for more than fifty percent (50%) of their time in any one (1) single location, they shall be considered the store manager for the purpose of exclusion from the collective bargaining unit. No other exclusions shall be allowed in other departments operated by the concessionaire within the same establishment where the excluded manager, as hereinabove identified, has supervision.

2.3.2 Outside Employees. It is agreed that the Employer and the Union have a common interest in protecting work opportunities for all employees covered by this Agreement. It is further agreed that the displaying, servicing, ordering and demonstrating of merchandise for sale can be handled at the Employer's discretion by non-bargaining unit display representatives, sales representatives, vendor representatives, or any other employee of vendors who are servicing their merchandise to the Employer.

In no event, however, shall any bargaining unit employee be laid off or reduced in hours as a result of work being performed by any sales representative, vendor or display representative described above.

2.3.3 Demonstrators who do not make sales or display merchandise for pick-up by customers.

2.3.4 Office Employees who are limited to office-clerical work and whose combination of duties do not include any of the Service Associates' work.

2.3.5 Future Concessionaires or Sublessees or their employees whose duties do not include work generally performed by members of the bargaining unit.

2.3.6 Licensed Pharmacists.

2.3.7 Should any of the classifications hereinabove excluded in the above Paragraphs, designate by a majority thereof the undersigned Union as their bargaining agent, the Employer agrees to recognize and bargain for said employees in accordance with the law.

2.4 INDIVIDUAL AGREEMENTS.

2.4.1 All Employees. The Employer agrees not to enter into any agreement or contract, either orally or written, with its employees covered by this Agreement, individually or collectively which in any way conflicts with the terms and provisions of this Agreement.

2.4.2 New Employees. During the period an employee is not a member of the Union, the regular wages, as herein specified for the classification of said employee and all other provisions of this Agreement shall apply.

ARTICLE 3 - UNION AFFAIRS

3.1 REQUIRED UNION MEMBERSHIP.

3.1.1 Union Shop. All employees shall, as a condition of employment, become members of the Union not later than the thirty-first (31st) day of their employment or the thirty-first (31st) day following the date of signature or the effective date of this Agreement, whichever is later, and shall remain members in good standing as a condition of continued employment.

3.1.2 Seven-Day Notice. The Union will advise the Employer, in writing, when any employee has failed to acquire or maintain Union membership as required by this Agreement. Immediately upon receipt of said notice, the Employer shall advise said employee(s) that they will no longer be scheduled for hours of work on the subsequent weekly schedule until said employee(s) give evidence of compliance or the Union notifies the Employer of such compliance. Failure to comply within seven (7) days after removal from the schedule said employee(s) shall be terminated, if such termination is not in violation of existing law.

The Union agrees to indemnify and hold the Employer harmless in any and all claims and/or causes of action which arise out of or are in any way connected with the Employer's compliance with this provision.

3.2 INFORMATION FOR UNION.

3.2.1 New/Transferred Employees. The Employer shall notify the Union of all new hires and/or permanently transferred employees within fifteen (15) working days excluding Saturday, Sunday, and holidays of the date of employment and said notice shall contain the name, address and phone number of such new employee, the Social Security number of the new employee, the Employee ID#, the position for which employed, the store number and location, the date of commencement of work, and the rate of pay at which the person is employed. This information shall be provided electronically to the Union. Failure to comply with this notice shall entitle the new employee to receive the journeyman rate of pay for all days worked after the fifteenth (15th) working day excluding Saturday, Sunday, and holidays and until such notice is received by the Union.

Claims that the notice of all new hires and/or permanently transferred employees has not been provided within the fifteen (15) days provided in Article 3.2.1 must be filed within thirty-one (31) days following the day the list should be received. This provision shall not apply to claims that the list is inaccurate.

3.2.2 Store Employee Lists. The Employer agrees to permit the Union to check the list of employees covered by this Agreement, and their respective wage rates of preceding months, and will provide the Union a complete payroll list and seniority list for all employees covered by this agreement including: name, social security number, store number, local union number, wage rates, full-time and part-time status and hire date. The list will be automatically provided twice annually, in January and July. This information shall be provided electronically to the Union.

3.2.3 Payroll Data. Reasonable tolerance of these time limits shall be allowed for temporary transfers such as vacation relief and store openings. For good and sufficient reason, an employee may refuse a transfer from the jurisdictional area of one Local Union to another.

In making transfers under Paragraph 5.1.1 and 5.1.2 of this Article and this Paragraph, the Employer will make every effort to assign employees on a nondiscriminatory basis to the store which would cause the least hardship to the employee and require the least travel time. Such transfer shall not be used for disciplinary purposes.

5.2 INTERUNION TRANSFER. If an employee is transferred from one UFCW Union's area to another in Southern California, they shall retain all seniority.

5.3 SENIORITY.

5.3.1 Definition. Seniority is the length of continuous employment of an employee with an individual Employer. Temporary absence from work in accordance with the provisions of this Agreement shall not break seniority. Seniority can only be broken by the following:

Transfers shall not be made for the purpose of displacing another employee. Should a layoff or reduction in hours occur in their new job classification, they shall be permitted to reclaim the position they formerly vacated, or whatever equivalent job they are able to perform and to which they are entitled by the combined seniority in the old and new classification.

5.4 QUALIFICATIONS. When seniority is invoked by an employee, the employee's ability and skill in performing the work claimed shall be the determining factors in establishing such rights.

5.5 LAYOFFS/RECALLS/HOURS REDUCTIONS.

5.5.1 Full-Time.

5.5.1.1 Full-time employees shall have seniority rights over part-time employees.

5.5.1.2 A full-time employee who is to be laid off or reduced to part-time status due to legitimate business reasons will be:

The employee bumped as a result may accept a part-time position in their own store if one is available, or, if eligible, receive severance pay in Accordance with Article 15.15.

5.5.1.2.2 If the employee does not accept the offer, they may claim any part-time positions in their own store.

The parties will review and change, if necessary, region areas once/year to be consistent with the original intent.

5.5.3 Additional Hours for Part-Time Employees.

5.5.3.1 A part-time employee shall have the right to claim within their own store all part-time hours when such hours become available up to eight (8) hours per day and forty (40) hours per week based upon seniority over other part-time employees provided such part-time employee has the qualifications and ability to perform the duties of the position claimed. An employee(s) cannot claim hours from another employee if the hours claimed would result in the less senior employee receiving less than the minimum guaranteed hours.

5.5.3.2 After first (1st) having notified, in writing, the home store manager and the Union, a part-time employee shall also have the right to request additional available hours up to forty (40) hours per week at no more than three (3) other stores within the Employer's region. Said part-time employee shall notify, in writing, the manager of such stores of the request, and said manager shall endeavor to comply with such request on a seniority basis.

A full-time employee, who has been reduced to part-time employment because of legitimate business reasons must be offered the first (1st) full-time job that opens in the region in which they are currently employed. If the employee declines the offer, their only rights to be restored to full-time status shall be within their store.

5.5.6 Layoff Timing. A layoff shall only occur at the end of an employee's weekly schedule after the employee has completed the probationary period.

ARTICLE 6 - WORKDAY/WORKWEEK/SCHEDULES

6.1 **STORE HOURS.** The Employer shall have the sole right to fix and determine the opening and closing hours of its stores.

6.2 **WORKDAY DEFINED.** For the purposes of this Agreement, a working day is the period from midnight to midnight. Where shifts overlap into two (2) working days, payment shall be made for the hours worked on each working day in accordance with the rates established for such days.

6.3 **WORKDAY GUARANTEES.**

6.3.1 Full-Time/Scheduled Workday. All full-time employees reporting for work on their scheduled workday shall be guaranteed a full day's work of eight (8) hours with pay; except if a full-time employee is scheduled to work six (6) days in any workweek, they shall be guaranteed four (4) hours' work on the sixth (6th) day. The four (4) hour day need not be the actual sixth (6th) day, but may be, in the Employer's discretion, any one (1) of the workdays in the weekly work schedule except Sunday.

The integrity of the eight (8) hour day shall be preserved and all time worked shall be paid for. Part-time jobs shall not be created or scheduled for the purpose of destroying the eight (8) hour day principle.

6.3.2 Part-Time Guarantee. Upon reporting for work, all part-time employees and those replacing employees in an emergency shall be guaranteed not less than four (4) hours' work with pay. Only registered school students who are under age eighteen (18) shall be allowed to work less than four (4) hours per shift during the period the student is attending school.

6.3.3 Full Time Pharmacy Technician Alternative Workweek Schedule. With written agreement by the Employer, the Union and employee, an employee may work an alternate work schedule consisting of shifts of not more than ten (10) hours at straight-time within four (4) days in any workweek. Approval of such alternate work schedule shall not be withheld arbitrarily or discriminatorily by the Union. If a response by the Union is not given in two (2) weeks, it shall be deemed approved by the Union. The Employer shall take the following steps to implement the alternative workweek schedule:

During the first year of the contract, the Employer shall request employees to voluntarily participate in the alternative workweek schedule.

After the first year of the contract, the Employer will select employees to participate in the alternative workweek schedule by reverse seniority.

6.3.4 Alternative Work Schedule Daily/Weekly Overtime. 6.4 WORKWEEK GUARANTEES.

6.4.1 Full-Time. The workweek shall be Sunday through Saturday. Eight (8) hours shall constitute a regular day's work, and forty (40) hours, consisting of five (5) eight (8) hour days shall constitute a regular week's work. All employees hired to work on a full-time basis or who are scheduled and work at least forty (40) hours in ten (10) consecutive weeks shall be guaranteed forty (40) hours' work per week, except in a holiday week, in which it shall be thirty-two (32) hours, provided the employee is available and able to work the required work schedule. When a question arises as to whether or not an employee has worked the ten (10) consecutive week requirement prior work periods shall be reviewed. Such review must consider weeks worked during the twelve months preceding the grievance provided that the employee files the grievance within twenty-one (21) days of not being scheduled forty (40) hours pursuant to section 16.2.3. Part-time jobs shall not be created or scheduled for the purpose of destroying the forty (40) hour week principle.

6.4.2 Part-Time. All non-probationary part-time employees shall be guaranteed a minimum of twelve (12) hours' work per workweek unless it is operationally unfeasible. Unfeasible shall be defined as follows:

6.4.2.1 The employee is unable to work the scheduled hours or declines to work twelve (12) hours per workweek.

6.4.2.2 All part-time employees shall, after six (6) months be scheduled a minimum of twenty-four (24) straight time hours per work week providing the employee is available to work the schedule hours. The employee must have a completed Availability Form on record with the Employer. This minimum guarantee is subject to the following conditions:

The employee must be available for five (5) out of seven (7) days including every Saturday and every other Sunday; and five (5) evening shifts (up to one (1) hour after store closing) or up to 11 p.m. if employee in a 24-hour store, but not scheduled to work overnight.

An associate may occasionally seek one (1) day or one (1) partial day off in advance of the schedule without reducing the twenty-four (24) hour guarantee. The twenty-four (24) hour guarantee shall include paid time off (such as holidays, jury pay, funeral pay, etc.) and shall not apply as provided in Article 6.5. The associate must work as scheduled.

The twenty-four (24) hour guarantee will not apply to an associate who is only available to work four (4) hours per day (thereby triggering a sixth (6th) day at overtime).

Grievances regarding the twenty-four (24) hour guarantee must be filed within forty-eight (48) hours of the final schedule posting or shall be considered waived. Reduction of hours of another part-time employee necessitated by the scheduling of more hours to the employee making a claim shall not give rise to any schedule/pay grievance by a part-time employee who is affected provided the guarantees in this agreement are still met.

Eligible employees may elect to work less than twenty-four (24) hours per workweek with the written agreement of the employees of the employee, the Employer and the Union. In such cases, the employee will be scheduled pursuant to the twelve (12) hour minimum provided for above. This election may be revoked at any time by giving the company two (2) weeks written notice.

Part-time employees will be required to fill out an agreed upon availability form one time per year.

6.5 INTERRUPTION OF OPERATIONS. In the event operations cannot commence or continue when so recommended by civil authorities; or public utilities fail to supply electricity, water, or gas; or the interruption of work is caused by an Act of God, the foregoing guarantees shall be satisfied by Rite Aid when it makes a reasonable effort to offer hours in a store that is within the geographic limits listed in Section 5 Layoffs/Recalls/Hours Reductions. After the currently scheduled week, Section 5 Layoffs/Recalls/Hours Reductions will be followed. In lieu of working the offered hours, the employee may use available sick hours (unless prohibited by any local or state sick leave statutes) or available vacation hours to cover the scheduled hours missed due to the emergency event. If no sick or vacation hours are available and the employee turned down the offered hours, any missed shifts will be unpaid.

6.6 WORK SCHEDULE.

6.6.1 Ready for Work. All employees shall report for and be ready for work at their scheduled starting time. The term “ready for work” shall include appropriate or required dress.

6.6.2 Work Schedules. The Work Schedule will be posted in the employee break room, except that pharmacy department employees will be scheduled on the pharmacy schedule which shall be posted in the pharmacy. The Employer shall post a work schedule in ink for all employees, showing their surname and first (1st) initial not later than noon on Monday for the following week. The work schedule shall not be changed after posting, except as follows: The schedule may be changed after 1:00 p.m. on Monday but no later than 1:00 p.m. on Thursday to accommodate an employee returning from leave of absence or, with the Union’s agreement to settle a grievance. An employee shall be guaranteed pay for the specific days in a workweek upon which he is scheduled to work, provided he is available for such work. The schedules shall show total number of hours scheduled for each employee. Information shall be posted alongside the schedule indicating employee classification and full-time/part-time status. This information shall be updated quarterly.

In the event that a new schedule is not posted, the previous week's schedule shall apply. In formulating the work schedule of any employee, a minimum of ten (10) hours shall have elapsed between the two (2) consecutive work shifts unless the weekly rotation of Sunday and night shifts is involved, provided, however, that this provision shall not apply to an employee designated by the Store Manager to act in their absence, nor shall it apply in the event of emergencies. Work performed prior to the ten (10) hours' elapsed time in violation of this Paragraph shall be paid at the rate of time and one-half (1½ x).

Anyone who works a shift that starts between 9:00 p.m. to 4:00 a.m., is entitled to at least twelve (12) hours between that shift and their other shifts. This twelve (12)-hour turn around may be waived in writing, with a copy to the union. The waiver may be revoked on two (2) weeks' notice.

6.6.3 Rotation of Work. The Employer shall endeavor to rotate all full-time employees on night and Sunday work, except where such rotation adversely affects the Employer's operation.

6.6.4 Rotation of Days Off. All full-time clerks upon completion of one (1) year's service shall be provided with two (2) consecutive days off at least once each calendar month on either a Friday-Saturday, Saturday-Sunday, or Sunday-Monday. In order to be considered for two (2) consecutive days off, an employee must submit a request at least two (2) weeks prior to said weekend off. When scheduling an employee as required above, the provisions of Paragraph 3 of Article 7 shall not apply. Provisions of this Paragraph shall not be applicable during the month of December each year.

6.6.5 Rest Periods.

6.6.5.1 An employee working more than six (6) hours in a day shall receive two (2) fifteen (15) minute uninterrupted rest periods during such day. Each fifteen (15) minute rest period includes travel time. The first (1st) rest period shall be given in the first (1st) half of the shift and the second (2nd) rest period during the second (2nd) half of such shift.

Meal periods will be provided in accordance with applicable CA Labor Code. Where applicable, the meal period may be waived by written or electronic mutual consent of both the employee and the Employer.

Accordingly, all associates are expected and encouraged to take meal and rest periods in accordance with Rite Aid's Policy and California State Law. Managers, Assistant Managers and Supervisors are prohibited from (a) requiring associates to waive any meal or rest period, or (b) discouraging associates from taking their meal or rest period in accordance with California State Law. If this occurs associates should immediately report the incident to Human Resources or the Union Representative.

6.6.5.2 An employee working more than two (2) hours and not more than five (5) hours shall receive one (1) fifteen (15) minute uninterrupted rest period. Each fifteen (15) minute rest period includes travel time. This shall be given during the first (1st) four (4) hours of the employee's shift.

6.6.5.3 Insofar as practicable, rest periods shall be in the middle of each work period.

6.6.5.4 All employees who are required to work a minimum of an additional one (1) hour of overtime shall be entitled to a ten (10) minute rest period prior to the start of such overtime work.

6.6.5.5 The term uninterrupted means not being called to perform work. If the employee is called back to work during the break, the employee will be given a new uninterrupted break period to replace that which was interrupted as soon as possible.

6.6.6 Lunch Period. All hours shall be worked consecutively, except for a lunch period, which shall be one (1) hour. No eight (8) hour employee shall be scheduled for more than five (5) hours or less than three (3) hours before a meal break. However, by mutual agreement in writing between the manager and the employee, less than one (1) hour may be established to meet business conditions, but in no event may less than one-half (½) hour be given. If the Union becomes aware of abuse it reserves the right to revoke the option at any location(s) after first (1st) covering the Steps 1 and 2 of the grievance procedure contained in Article 16. Any employee who works six (6) hours or more and does not receive an uninterrupted meal period of at least one half (½) hour prior to the fifth (5th) hour of work shall receive an additional hour of pay.

6.6.7 Sixth/Seventh Day. No employee shall be required to work seven (7) days in any workweek except in an emergency. It shall not be a violation of this contract, nor shall it constitute cause for discharge, if an employee declines to work on the sixth (6th) day of the workweek unless scheduled to work on such day.

6.6.8 Sunday Ratio. The Employer may schedule no more than three (3) part-time shifts for every one (1) eight (8) hour shift scheduled.

6.6.9 Holiday Ratio.

6.6.9.1 An employee who works on a holiday shall be guaranteed eight (8) hours' work, except that a full-time, or regular part-time employee who regularly works less than eight (8) hours on the day on which the holiday is observed, shall be guaranteed not less than the number of hours regularly worked on such day.

6.6.9.2 The eight (8) hour guarantee shall be deemed to have been complied with if less than an eight (8) hour shift is worked on the holiday, but said hours are part of an eight (8) hour shift which includes hours on either the day before or the day after the holiday. Hours worked during the twenty-four (24) hour period of the holiday shall be compensated at the holiday rate as set forth in this Article, and each hour so compensated shall apply toward the eight (8) hour holiday guarantee.

6.6.9.3 On holidays, the Employer may schedule no more than three (3) short shifts [less than eight (8) hours] for every one (1) eight (8) hour shift scheduled.

6.6.9.4 Where a condition arises that there are no part-time employees available, then full-time employees may be scheduled for less than eight (8) hours, on a voluntary basis, provided that said work is in excess of the regular holiday workweek of thirty-two (32) hours.

6.6.9.5 In those stores open for less than nine (9) hours on holidays, full-time employees who have been scheduled for four (4) eight (8) hour days will be permitted to work less than eight (8) hours on the holiday, but will be guaranteed the number of hours the store is open, less a lunch hour if the shift exceeds six (6) hours. Such employees shall receive no less than five (5) hours' pay at the holiday premium rate. If said employees perform work before the store opening and/or after the store closing, the eight (8) hour guarantee at the holiday premium rate of pay shall apply, and all hours worked in excess of eight (8) hours shall be compensated at the holiday premium rate of pay. This exemption from the holiday guarantee shall apply to full-time employees only, unless no full-time employees are available.

6.6.10 Holiday Scheduling. Work on Thanksgiving and Christmas shall be assigned by the Employer on a voluntary basis. Should the Employer be unable to staff its store with volunteering employees the Employer may assign employees to work the holiday by inverse seniority. Once an employee has agreed to work on Thanksgiving or Christmas and the work schedule has been posted, he shall be required to work said days. Written requests to work on any holiday shall be given first (1st)

preference based on seniority. Employees working on the day of December 24th and/or December 31st shall be scheduled on the basis of inverse seniority to allow the most-senior employee the early shift on Christmas Eve and New Year's Eve.

6.6.11 Full-Time/Part-Time Ratio. The Employer agrees to a ratio that will provide an overall ratio of thirty-seven percent (37%) full-time employees and sixty-three percent (63%) part-time employees throughout the jurisdiction of this Agreement. It is agreed that all UFCW bargaining unit employees shall be included within the calculation, excluding only employees classified as Christmas extras. The Employer acknowledges that this ratio shall be accomplished through attrition or as provided for in Article 5.5 of this Agreement.

6.6.12 Part-Time Scheduled Hours. More senior part-time employees shall not be scheduled fewer hours in a store than less senior part-time employees, who are qualified to perform the same work in the same store when availability is equal. Alleged violations of this Paragraph must be grieved by the end of the first (1st) shift of the Friday following any Thursday scheduled posting or by the end of the first (1st) shift on the Monday following any Thursday or Friday schedule change or shall be forever waived. Reduction of hours of a less senior employee necessitated by the scheduling of more hours to a senior employee shall not give rise to any schedule/pay grievance by a less senior employee. The Employer agrees that it will not flat schedule all part-time employees in any store.

6.6.13 Schedule Preferences. Any employee wishing special scheduling consideration including preferential schedule hours must make such preferences known in writing to the store management prior to noon Tuesday. Such notices will remain in effect until revoked in writing by the employee. Store management will attempt to accommodate, by seniority, as many such requests as operationally practical provided the employee has the skills and ability to perform the job. Request of such preferences shall not exclude the requirements as outlined in Article 6.6.3.

7.1.3.2 To qualify as a Lead Service Associate store, the aforementioned qualifying hours must be maintained as an average during four (4) of the preceding six (6) months. The evaluation period to determine which stores qualify as "Lead Service Associate stores" will be from October 1 through March 31 and April 1 through September 30. The necessary adjustments based on this evaluation will be effective the first (1st) payroll period in January and July of each year. Selection of the Lead Service Associates shall be vested solely in management who will give factors such as seniority, qualifications and intent to remain in the industry full consideration.

7.1.3.3 It is agreed that management trainees shall not be classified as Lead Service Associates.

7.1.4 Pharmacy Service Associates. Associates who are assigned to assist in clerical and pharmacy related duties (including the running of the pharmacy register if it is in combination with clerical pharmacy duties) directly connected with the pharmacy and under the supervision of the pharmacist.

7.1.5 Price Accuracy Coordinators. Service Associates who are assigned the position of Price Accuracy Coordinator shall receive an additional one dollar (\$1.00) per hour over their classification rate of pay. The determination of whether the Price Accuracy Coordinator position is utilized in any store at any time shall be the sole discretion of the Employer. Nothing in this Agreement shall require the Employer to utilize this position; and the Employer may eliminate the position (and the corresponding premium pay) at any time at its sole discretion. It is understood that in stores where the Employer eliminates the Price Accuracy Coordinator position, qualified employees will be given consideration to fill open Lead Service Associate positions. Seniority will prevail in the event that the elimination of this position in any store results in a full-time reduction.

7.2 PREMIUMS.

7.2.1 Night Premium. For all time worked by employees, after 7 p.m. and before 10 p.m., by employees hired on or before August 5, 2005, a premium of twenty-five cents (25¢) per hour shall be paid. For all time worked by all employees between the hours of 10 p.m. and 7 a.m., a premium of seventy-five cents (\$0.75) per hour shall be paid. The seventy-five cents (\$0.75) per hour night premium shall go into effect in the first full pay period after ratification.

7.2.2 Sunday Premium. For all time worked on Sunday by employees, a premium of one dollar (\$1.00) per hour shall be paid. This provision shall not apply to employees hired on or after July 1, 1986.

7.3 OVERTIME.

All work performed in excess of the regular day's work of eight (8) straight-time hours in any one (1) day, or in excess of the regular forty (40) straight-time hours in any one (1) regular workweek, or thirty-two (32) straight-time hours in any holiday week exclusive of work on the holiday, shall be deemed overtime and paid for at the overtime rate of time and one-half (1½x) the employee's regular straight-time rate of pay, or at a higher premium rate, if such is applicable.

7.3.2 Sixth Day Overtime/Full-Time. Time and one-half (1½x) shall be paid on said sixth (6th) day, contingent upon the employee's completion of their scheduled workweek. However, employees whose shifts overlap throughout the week are only eligible for sixth (6th) day overtime if they are scheduled six (6) separate shifts within the workweek.

7.3.3 Seventh Consecutive Day Overtime/Full-Time. Where a five (5) day, full-time employee is scheduled to work more than six (6) consecutive days in any combination of workweeks, said employee shall receive time and one-half (1½x) (or such higher premium as may apply) for all time worked after the sixth (6th) consecutive day, until such time as their consecutive days of work have been interrupted by a prescheduled day off. The above shall not apply to regularly scheduled six (6) day employees, provided that overtime or premium rates are paid where applicable. The sixth (6th) day of work within one (1) workweek, whether prescheduled or not, shall act as an interruption in the continuity of consecutive days worked. Where the application of this sixth (6th) day provision would interfere with the rotation of days off, overtime shall be paid after the seventh (7th) consecutive day. This paragraph shall not apply when the seventh (7th) consecutive day is necessary to accommodate the employee's written request for specific days off.

7.3.4 Predesignated Day Off Guarantee. Any full-time employee called to work on their predesignated day off, as established in the work schedule provisions, shall be guaranteed eight (8) hours' work at the overtime rate of pay.

7.3.5 Sixth Day Overtime/Part-Time. Part-time employees shall be paid time and one-half (1½x), or such premium rate as may apply, for all work performed on the sixth (6th) day of work as such, in any regular workweek, or on the fifth (5th) day of work in any week in which a holiday falls, excluding the holiday, as provided in this contract. However, employees whose shifts overlap throughout the week are only eligible for sixth (6th) day overtime if they are scheduled six (6) separate shifts within the workweek, or the fifth (5th) day in any week in which a holiday falls. This Paragraph shall not apply when a part-time employee desires, in writing, additional work, including work on a sixth (6th) workday and the Employer accommodates said employee. If the Union becomes aware of abuse it reserves the right to revoke the option at any location(s) after first (1st) covering the Steps 1 and 2 of the grievance procedure in Article 16.

7.3.6 Overtime Basis. The overtime rate for employees who receive a wage scale in excess of the rates in this contract shall be based on said employee's actual rate of pay.

7.3.7 Overtime Preference. Employees shall be given preference for overtime work by seniority, provided they are qualified to perform such overtime work. This provision shall not be a requirement on the Employer to create overtime work.

7.3.8 Non-pyramiding. The following are penalty rates: overtime rates, premium rates (night and Sunday), holiday rates. No penalty rate of any kind shall be pyramided or paid in addition to any other penalty rates, and only the single highest applicable penalty rate shall be paid for any given hour of work.

7.4 PAY PERIOD AND WAGE STATEMENT. All employees shall be paid on a weekly or biweekly basis. The Employer shall designate a payday not to exceed six (6) days following the completion of the applicable pay period, and employees must be paid on that day. The Employer agrees to furnish each employee with a weekly itemized wage statement showing the name of the employee, period covered, straight-time and overtime or premium hours worked, total amount of straight-time, overtime and premium wages paid and all deductions made. An employee scheduled off on a payday shall be paid on the employee's last scheduled working day before the payday, if checks are available. Upon request, the person in charge of the store at the time, will provide the employee with accurate information concerning their earned vacation and sick leave hours.

7.5 TIME RECORDS.

7.5.1 Daily Records. The Employer shall furnish forms, either time cards or other time records, on which the employee shall be required daily to record time worked on each day. Such daily record shall be verified by the Employer and employee at least weekly and shall be available for inspection upon request by the Union representative entitled to such information.

7.5.2 Collusion or Coercion. In the event of falsification of time records through collusion or coercion, where it is established that both the employee and the Employer had knowledge of such falsification, the employee shall be paid for all time worked, by check mailed to the Union.

7.6 BONUS PAYMENTS. All extra-contractual bonuses, discounts, and commissions paid or given to the associate shall not be considered as wages but are to be considered for the purpose of this Agreement as extra compensation over and above the minimum wage provided for in this Agreement. All extra-contractual bonuses, discounts and commissions are at the option of the Employer and may be changed or discontinued at any time without notice. Extra-contractual bonuses, discounts and commissions shall not be used to defeat the wage provision of this Agreement.

7.7 TRAVEL TIME. Whenever the employee is required by the Employer to change from one store to another during the same day, all time consumed by said employee in going either to or from one store to another shall be considered and paid for as part of the employee's regular duties.

When an employee must travel for training purposes, they shall be paid for mileage if the training location is more than twenty-five (25) miles from their residence.

7.8 INJURY ON THE JOB. When an employee is injured on the job, there shall be no deduction from the employee's pay for the day in which the employee was injured and reported for medical care. When such employee returns to work following the injury and is certified as ready and able to perform all regular duties but requires medical treatment as a result of the same injury, the Employer shall adjust the work schedules without penalty to the employee, to provide both the time for medical care and the number of hours of work for which the employee is regularly scheduled.

7.9 LEGAL PROCEEDINGS.

7.9.1 Required Appearance. Any employee served with a legal notice, citation or subpoena which involves any facet of the Employer's operation, or which may require the employee to appear in legal proceedings during scheduled work time, shall immediately inform the Employer of such service.

7.9.2 Requested Appearance. Employees shall be paid as time worked under the terms of this Agreement for time spent at appearances in legal proceedings at the request of the Employer.

7.9.3 Work Related Appearance. In addition, employees shall be paid as time worked under this contract for time spent at appearances or required standby in legal proceedings under subpoena issued by the court when the event, or events, giving rise to the issuance of the subpoena occurred while the employee was on duty working for the Employer, and so long as the Employer is not a party defendant or respondent in such proceeding, and no relief of any kind is sought against the Employer nor the imposition of any penalty or punishment upon them.

7.9.4 Former Employees. Those who at the time of the legal appearance are no longer employed by the Employer, shall be paid by such Employer at the rate of straight time for the time spent at the legal appearance, with a minimum guarantee of four (4) hours per day. In no sense is it to be construed that the former employee becomes an employee as a result of such payment.

7.10 STORE/COMPANY/MEETINGS.

7.10.1 Store Meetings. No store and/or Company meetings shall be held as to conflict with the regular meetings of the Union, and upon three (3) days' notice to the Employer of a special meeting, the Employer agrees to hold no store meetings in conflict therewith. Employees shall not be required to attend store meetings on their scheduled days off. Actual time spent at store meetings shall be considered as time worked and paid for in accordance with this Agreement but shall not constitute hours worked with respect to overtime or any other premium pay and report-in pay provisions of Article 7.3.2, .3, .4 and .5 and Article 6.3.1, .2 and .3 shall not be applicable. Should the Company have more than one (1) store meeting per quarter all time spent at store meetings in excess of the one (1) per quarter shall be considered as time worked and paid for in accordance with this Agreement, including all premiums, overtime and report-in pay.

7.10.2 Company Meetings. Attendance at Company meetings (as distinguished from store meetings) shall not be required, but shall be completely voluntary on the part of the employee.

7.11 AUTO ALLOWANCE. The mileage allowance shall be no less than the existing Rite Aid rate for mileage.

7.12 TRAINING SCHOOL FEES. Where, as a condition of employment, the Employer requires attendance at a school or training establishment, and where a fee is charged for such instruction or training, the fee shall be borne by the Employer.

7.13 BOND FEES. Whenever the Employer requires the bonding of any employee or the carrying of any insurance for the indemnification of the Employer, the premiums for the same shall be paid for by the Employer. Should an employee be refused bond by a bonding company, after their first (1st) thirty (30) days of employment, the Employer agrees to make a reasonable effort to secure a bond in an appropriate case without added cost to the Employer.

7.14 HEALTH EXAMINATION. The Employer shall pay the cost for any city, county or state health examination required of employees who are covered by this Agreement.

7.15 NO REDUCTION IN RATES. It is further agreed that no employee shall suffer any reduction in rates or general working conditions by reason of the signing of this Agreement. No employee receiving hourly rates in excess of the rates herein shall be replaced by another employee at a lesser hourly rate for the purpose of avoiding any of the provisions of this Agreement.

7.16 WAGE AND PRICE CONTROLS. If by Presidential decree or legislative enactment, wage and price controls are instituted which cause any provisions of this Agreement to affect either of the parties adversely, such provisions may be reopened for negotiations. The party adversely affected must give fifteen (15) days' written notice to the other party in order to so reopen this Agreement. Any issues unresolved as a result of such reopening may be submitted to final and binding arbitration by either party under the procedures set forth in Article 16.

7.17 CHARITY. The Employer shall not conduct or handle any campaign or drive for charitable purposes among their employees except where the cooperation and contributions of the employees are voluntary.

7.18 PRODUCTS HANDLED. The rates set forth herein in Appendix A reflect and are based upon the kinds, types, mixture, customer exposure, and the merchandising, advertising and pricing methods of products traditionally and historically handled by the retail drug industry of Southern California.

Rates of pay for employees under this Agreement handling products not traditionally and historically handled, as set forth above, by the retail drug industry of Southern California, shall be subject to further negotiation upon written notice by either party to this Agreement.

If the parties cannot agree on the appropriate wage rates for such employees pursuant to such negotiations, either party may then submit the unresolved issue to the arbitration procedure set forth in Article 16 of this Agreement.

The term "full pay" shall be defined as forty (40) hours' pay at the employee's straight-time hourly rate which was in effect at the time their vacation became due on the employee's anniversary date provided, however, that if the Employer does not pay the vacation pay on the anniversary date, the payment of vacation pay shall be based on straight-time hourly rate of pay in effect at the time the employee takes the vacation.

Absence from work up to seven (7) weeks or two hundred eighty (280) straight-time hours within the period of fifty-two (52) consecutive weeks, immediately preceding the employee's anniversary date, due to sickness, injury or temporary layoff, or other bona fide emergencies, shall be considered as time worked for the purpose of determining eligibility for full vacation pay. In the event that an employee is absent from work in excess of seven (7) weeks, as set forth above, whatever vacation pay the employee is entitled to shall be prorated according to the ratio that the straight-time hours actually worked bear to two thousand eighty (2,080) hours. Hours worked shall include paid holidays, paid vacations and paid jury duty.

8.2.2 Part-Time Vacation Pay. Part-time employees shall be entitled to vacation pay on each anniversary date of their employment, prorated on the basis of the average straight-time hours worked during the preceding year, according to the vacation formula set forth in this Article 8.1. Termination vacation pay is due within seven (7) calendar days of termination or resignation.

8.2.4 Pro-Rata.

8.2.4.1 General. Upon termination of employment for any reason other than discharge for proven or admitted dishonesty, an employee shall receive whatever vacation pay is due, prorated on the basis of the number of straight-time hours worked, provided that the employee has been in the continuous employ of the Company for six (6) months or longer. Employees whose employment is terminated, and who have been in the continuous employ of the Company more than six (6) months, but less than one (1) year, shall not be entitled to such pro rata pay where termination of employment is due to a discharge or to a voluntary quit, but shall receive prorated vacation only when termination of employment is due to a layoff.

It is further provided that employees who voluntarily quit after eighteen (18) consecutive calendar months of employment with the same Employer, and prior to two (2) years' employment with the same Employer, shall receive pro rata of accrued vacation pay on the basis of forty (40) hours at the straight-time rate of pay.

8.3 **INDUSTRY VACATION.** Additional vacation pay based on industry experience shall be provided in accordance with the provisions of the Trust Fund set forth in Article 14. Said additional vacation pay shall be paid to the employee by the Trust Fund. 8.4 **VACATION SCHEDULE.**

8.4.1 Posting/Selection. The Employer shall prepare and post in each store a vacation schedule not later than January 15th of each year and such vacation schedule shall remain posted until March 1st for the purpose of enabling the employees to select their vacation period. Vacation periods shall be fixed by the Employer to suit the requirements of their business, but as far as possible and practicable, vacations will be given during the summer months (through October if requested by the employee), and for employees with school-age children during the school summer vacation. Vacation periods other than those listed above may be applied for to management and full consideration will be given to grant the request unless it has an adverse effect on the Employer's business. Vacation period shall be unbroken except by mutual consent between Employer and employee.

8.4.2 Scheduling by Seniority. The Employer shall be required to give vacation time off based on the number of weeks of vacation due the employee from the Employer and from the vacation trust fund. Within the limits set forth in this Paragraph, vacations shall be scheduled by seniority.

8.4.3 Notice. In scheduling a vacation of an employee, the Employer shall give as much notice as possible prior to the date of beginning the vacation but not less than thirty (30) days.

Independence Day	Labor Day
Three (3) Personal Holidays	

No employee shall receive pay for any holidays not worked unless such employee has reported for work on their regular working day next preceding and next following said holiday. Employees shall be deemed to have reported for work if absence on said day before and said day after said holiday is due to express permission from or action of the Employer, provided the employee has

worked during the holiday week, except that if the employee is absent during the entire holiday week due to illness or injury, then he must have worked at least one (1) day during the week immediately preceding the holiday week in order to be entitled to holiday pay.

If Rite Aid grants Juneteenth as a holiday anywhere else in the Company, it will immediately become a holiday in this contract as well.

9.1.2 Eligibility. During the first (1st) year of their employment, employees shall not be entitled to pay for time not worked on the holiday, or to overtime for the first (1st) eight (8) hours on the fifth (5th) day of such week. Employees shall become eligible for three (3) personal holidays each year on their anniversary date once they have been continuously employed for three (3) years.

9.1.3 Personal Holiday. An employee requesting a given workday date as the personal holiday must do so at least fourteen (14) calendar days in advance. The Employer shall endeavor to grant such requests subject to store operational requirements. The Employer will grant such holiday time off with pay to the senior requesting employee(s). Personal holiday dates, once granted for that year, will become permanent fourteen (14) calendar days prior, and no senior employee(s) shall have a right to such date.

Personal holidays are expected to be scheduled and taken and shall not be cumulative from year to year. In cases where an employee has been scheduled for a personal holiday, and the Employer cancels such holiday, the employee will receive holiday pay in accordance with the provisions of Article 9.2 below. Mutual rescheduling may be undertaken in lieu of holiday pay. Employees who terminate for reasons other than proven or admitted dishonesty shall be paid for all unused personal holidays.

9.1.4 Holiday Requests. The Company agrees that no employee will be denied a personal holiday to which he would otherwise be entitled as a result of the employee's failure to request such a holiday in advance. Rather employees who fail to request the personal holiday in advance shall be entitled to another mutually agreeable day off with pay within thirty (30) days of the request. The Company will make every effort to inform employees of their entitlement to the above named holidays.

9.1.5 Monday Observance. With respect to any of the holidays listed in this Agreement which may, by virtue of controlling legislation be celebrated on Monday, this Agreement will be changed automatically to permit such Monday observance, coincident with the dates specified in such legislation.

9.2 HOLIDAY PAYMENT.

9.2.1 Rate. Work as such on a holiday shall be compensated at two and one-half times (2½x) the straight-time hourly rate of pay for all hours worked after an employee's first (1st) year of employment. Said two and one-half times (2½x) shall include any premium pay or overtime that may be applicable and includes pay for the holiday itself.

9.2.2 Holiday Week. A regular holiday workweek shall consist of the holiday itself and four (4) other eight (8) hour days. All full-time employees shall receive forty (40) hours of straight-time pay for thirty-two (32) straight-time hours of work excluding the holiday. A full-time employee, not working on a holiday, shall receive eight (8) hours' pay for the holiday, in addition to the pay specified in this Agreement for the other four (4) days referred to above. All time worked over the thirty-two (32) hours, exclusive of the holiday, shall be paid for at the rate of time and one-half (1½x) the employee's regular rate of pay.

When the Employer voluntarily closes the store to the public because of any commemoration day or celebration day, or on any holiday other than those set forth in Article 9.1, above, it is agreed that the employees shall suffer no reduction in straight-time weekly earnings on account of such closing.

ARTICLE 10 - SICK LEAVE

10.1 BENEFITS.

10.1.1 Eligibility. During an employees' first year of employment, employees shall accrue one (1) hour for every thirty (30) hours of work up to twenty four (24) hours. After ninety (90) days of employment, an employee may use all accrued sick leave in accordance with the provisions of AB 1522. All employees covered by this Agreement who have been continuously employed by the Employer for a period of at least one year shall be entitled to forty-eight (48) hours of sick leave with pay, and on each anniversary date of employment thereafter they shall be entitled to forty-eight (48) hours of paid sick leave (subject to Paragraph 10.1.2 of this Article). Sick leave shall be payable only for bona fide illness or injury beginning with the first (1st) working day's absence. Any working day on which an employee works more than four (4) hours shall not be considered the first (1st) day of absence.

10.1.2 Pro Rata. Part-time employees, and full-time employees who failed to work the full year, shall be entitled to sick leave on the basis set forth above on a pro rata of total hours worked or paid for during the year preceding the anniversary date as a ratio to two thousand eighty (2,080) hours.

10.1.3 Supplementary Disability Benefits. Supplementary Disability Benefits will be provided in accordance with provisions of Article 14 hereof.

10.1.4 Sick Leave Integration. Sick leave pay shall be integrated with the Supplementary Disability Benefits provided under the Trust Fund and California Disability Insurance or California Workers' Compensation Temporary Disability Benefits, or both, so that the sum of the sick leave pay hereunder, and the aforesaid State disability daily benefits which may be payable to an employee shall not exceed one hundred percent (100%) of the employee's daily wage at straight time. If the sick leave pay allowable to an employee hereunder when so combined with any such Supplementary Disability Benefits from the Trust Fund and California Disability Insurance or California Workers' Compensation Temporary Disability Benefits, or both, exceeds one hundred percent (100%) of the employee's daily wage at straight time for any one (1) day, then such sick leave pay for that day shall be reduced accordingly. Any portion of the day's sick leave pay not received by the employee by reason of any such reduction shall be retained as part of the accumulated sick leave pay credit subject to the provisions of Paragraph 10.2, UNUSED SICK LEAVE PAID, of this Article.

Earned sick leave hours in excess of two hundred forty (240) hours will be paid out annually on the employee's anniversary date. All accumulated sick leave shall be available for use by employees who are unable to work because of illness or injury as specified in Paragraph 10.1 of this Article. Employees who retire from the company will receive a payout of all accumulated sick leave hours.

ARTICLE 11 - BEREAVEMENT LEAVE AND/OR PAY

All Part-time and Full-time associates are eligible for bereavement leave. There is no waiting period. Rite Aid Corporation reserves the right to request written verification of an Associate's familial relationship to the deceased. Any modifications will be provided to the Union prior to its implementation and at no time will this be changed to negatively impact bargaining unit Associates.

Associates will receive up to three (3) days of bereavement leave with pay for an immediate family member within six (6) months of the date of death of an immediate family member.

Associates are eligible to receive an additional two (2) unpaid days, if requested. Associates may be able to use and paid leave available.

Immediate family members are defined as:

Father, Mother, Son, Daughter, Sister, Brother, Step-sister/Brother, Step-Parent, Step-Child, Spouse, Same-Sex Domestic Partner, Opposite-Sex Domestic Partner, Grandchild, Grandparent, Grandparent-in-law, Father-in-law, Mother-in-law, Brother-in-law, Sister-in-law, Aunt, Uncle, any other relative residing with the employee, anyone acting in a parental capacity.

Full-time associates who are scheduled to work a forty-hour work week will have their bereavement pay calculated on that basis and will be eligible to receive not more than twenty-four hours of bereavement pay.

Part-time associates are eligible for bereavement pay in proportion to the number of hours they normally are scheduled to work for the dates taken as bereavement time. Part-time associates will be paid for the hours they are scheduled to work for the dates taken as bereavement time. If the schedule is not created for the dates to be taken as bereavement leave, a two week look-back will be utilized and an average of hours worked per day will be utilized to calculate bereavement pay due.

ARTICLE 12 - JURY DUTY LEAVE AND/OR PAY

All employees are eligible for Jury and Witness Duty pay. The summons, subpoena, or request to appear must be shown to the manager immediately after it is received so that operating requirements can be adjusted to accommodate the absence.

Employees are eligible to receive paid time off for up to two (2) weeks in order to serve as a juror if summoned in a federal, state, or local court. If an employee's service will exceed the two (2) weeks' time frame, the employee shall notify their manager. During the days an employee is assigned to jury duty, they must be scheduled between the hours of 8am and 5pm, Monday through Friday. Part-time employees shall be scheduled based on their average hours worked in the four weeks immediately preceding the first week of jury service. An employee who is released from jury service with at least four (4) hours remaining in their scheduled shift is expected to call their immediate supervisor and report to work if requested.

Any compensation received by the employee from the court for jury duty or witness fees may be retained by the employee. Jury/witness duty pay not to exceed eight (8) hours per day.

ARTICLE 13 - OTHER LEAVES OF ABSENCE

13.1 EMERGENCY LEAVE. Non-probationary employees may take an automatic emergency leave of absence not to exceed two (2) weeks in the event of certified, serious illness or injury of the employee, or serious illness, injury or death in the employee's immediate family without prior notice; provided that the employee makes every reasonable effort to notify the Employer within twenty-four (24) hours of the commencement of said leave. Said two (2) weeks automatic emergency leave of absence shall be a part of the time limits set forth in Paragraph 2 below.

13.2 AUTHORIZED LEAVE. Employees with six (6) months' seniority shall be entitled to leaves of absence for the following reasons and up to the following maximum periods: (Leaves will run concurrently with FMLA if the leave would qualify for FMLA on its own.)

13.2.1 Death in the employee's immediate family or other personal reasons deemed sufficient by the Employer up to a three (3) month period.

13.2.2 Certified illness, injury, or pregnancy of the employee requiring absence from work up to six (6) months renewable for up to an additional six (6) month period.

13.2.3 In absences covered by Workers' Compensation, the employee's leave of absence shall be continuous until such time as the employee has been released from their period of temporary disability and is available and qualified for work, provided, however, such leave of absence shall not exceed fifteen (15) months. This provision is subject to the requirements of Article 15.10 of this Agreement.

13.3 LEAVES IN WRITING. All leaves of absence shall be in writing and copies shall be given to the Union and the employee.

13.4 REINSTATEMENT AFTER A LEAVE. Upon a return from a leave of absence the employee shall be restored to the job and location the employee left. If this is impractical, the employee shall be restored to as comparable a job as possible, or to a store which is as close to the person's home as geographically possible within the travel limitations. Further, said employee, upon written request, shall have the right of first refusal for any openings in their prior store. In no event shall a probationary employee be a bar to the returning employee.

13.5 EMPLOYMENT. If an employee works for remuneration during a leave of absence, without receiving written permission from both the Employer and the Union, he shall be considered a quit.

13.6 TERMINATION AFTER A LEAVE. Any employee on a leave of absence who fails to return to work at the expiration of said leave, may be automatically terminated by the Employer and shall then receive all vacation pay and sick leave owed under the contract with written notice of termination sent to the employee and the Union.

13.7 UNION BUSINESS. An employee in good standing with the Employer, whose acceptance of employment with the Union takes them from their employment with the Employer, shall, upon written request to the Employer by the Union, receive a leave of absence for the period of their service with the Union, of not less than thirty (30) days up to twelve (12) months. The twelve (12) months can be extended an additional six (6) months upon mutual agreement between the Employer and the Union. A Union's request for such a leave of absence, and for the return of an employee to work at the conclusion of such a leave, shall each be served upon the involved Employer, in writing, a minimum of two (2) calendar weeks immediately preceding the date of the proposed commencement of the requested leave and the proposed return to work respectively. Not more than one (1) employee shall be given such a leave from the same store during the same period of time, nor shall more than ten (10) employees in the company be on such a leave at one (1) time. An eligible employee shall not be granted more than one (1) such leave of absence during the term of this Agreement, nor shall such a leave of absence be granted the employee, who, at the time of their request for such leave of absence, is on a leave of absence from the Employer for any other reason. Upon the employee's return, they shall be reemployed at work similar to that in which they were engaged immediately prior to this leave of absence in accordance with Article 13.4.

During the period of the authorized leave of absence, the Union shall be obligated to make Trust Fund contributions on behalf of the involved employee.

ARTICLE 14 - TRUST FUNDS

14.1 BENEFIT FUND.

The Trustees are authorized and directed to establish a study committee to review the legality, feasibility and desirability of setting up and maintaining an employee funded Section 125 Flexible Spending Account (FSA). If an FSA is determined to be legal, feasible and desirable in this context, the Trustees are further authorized and directed to establish such an arrangement and offer it to employees covered by this Agreement; provided that the FSA shall not be offered to employees of any Employer who is unwilling or unable to permit employee participation in the FSA.

14.1.1 Benefits. The existing Health and Welfare Trust Fund known as the Southern California Drug Benefit Fund (hereinafter “Benefit Fund”) shall be continued as modified herein.

The Gold Plan will continue to be maintained for certain employees in accordance with the existing eligibility rules. The contribution rate for the Gold Plan will continue to be 75% of the Platinum contribution rate.

14.1.2 Benefits and Eligibility. If the maximum contribution rates specified in Paragraph 14.1.3 are not adequate to continue the Plans as so amended and maintain the reserves directed by Paragraph 14.1.4, then the Trustees shall have the authority to modify the benefits and eligibility rules and regulations for active employees and retirees to the extent they determine necessary to operate within the maximum contributions and maintain reserves as provided below in Paragraph 14.1.4. Nothing herein shall limit the Trustees in determining the priorities to be given to any particular benefit or set of benefits. Benefit modifications, which the Trustees approve, shall be implemented.

The Trustees may maintain other plan options for other employers provided that the employers whose employees participate in such plans contribute at the rate established by the Trustees that will fund that plan and maintain the reserve required by Paragraph 14.1.4 below.

Retirees and their dependents, whether retired before or after July 13, 2005, are not vested in the Benefits provided by the Benefit Fund. There is no obligation on the Employer to continue to contribute or on Trust Fund to continue to provide retiree benefits after expiration of this Agreement unless a successor agreement provides for continuation of such coverage. If the contributions provided in Paragraph 14.1.3 below, are not sufficient to continue present benefits, the Trustees shall have complete discretion in modifying benefits for retirees including requiring retirees to pay part of the cost of their benefits.

14.1.3 Contributions. Beginning September 1, 2024, hours payable in October 2024, Rite Aid shall decrease contribution rates to \$5.0935 for the Gold Plan and \$6.7914 for the Platinum Plan. Beginning with July 2025 hours payable in August 2025, Rite Aid shall increase contributions to the Benefit Fund by four percent (4%) from \$5.0935 for the Gold Plan and from \$6.7914 for the Platinum Plan and seven percent (7%) beginning with July 2026 hours payable in August 2026. In the event the Union enters into an agreement with another employer participating in the Fund that has more favorable terms, the Union will notify Rite Aid promptly and Rite Aid will have the right to receive the most favorable terms immediately. The contribution rates agreed upon are as follows:

- a. 7/1/24 hours – 16.8% increase
- b. 9/1/24 hours – Decrease contribution rate to 3% over 7/1/23 rate
- c. 7/1/25 hours – Increase contribution rate by 4%
- d. 7/1/26 hours - Increase contribution rate by 7%.

Further, in any event that Rite Aid is no longer a preferred provider under the Union Fund’s Preferred Network, the Parties agree to reopen the Collective Bargaining Agreement for further bargaining.

14.1.3.1 The Employer shall attempt to collect required active employees contributions through its payroll system and such collected monies shall be forwarded to the Trust by the Employer on a monthly basis. The Plan shall provide an acceptable electronic data list to the Employer's designated department of new eligible employees and new ineligible employees by the Monday in the last week of each calendar month to enable the Employer's collection of these weekly employee contributions. The Employer shall not owe the Plan any monies or otherwise be liable to any employee in any manner, for failure to collect employee contributions. It shall be the Plan's responsibility to collect any uncollected required employee contributions.

14.1.3.2 There is no obligation on the Employer to continue to contribute or on the Trust Fund to continue to provide retiree benefits after the expiration of this Agreement unless a successor agreement provides for continuation of such coverage. If the contributions provided in Paragraph 14.1.3 above, are not sufficient to continue present benefits, the Trustees shall have complete discretion in modifying benefits for retirees including requiring retirees to pay part of the cost of their benefits.

14.1.4 Reserves. Reserves shall be targeted at three (3) months of projected expenses. If the projected reserves exceed the three (3) months during the last year of the contract, the trustees shall take action to temporarily reduce contributions (so as to achieve the three (3) month reserve target at the end of the contract). If the projected reserves after the seven percent (7%) contribution rate increase with July 2026 hours at the expiration of the agreement are less than the target level of three (3) months, the July 2026 contribution rates shall increase by up to an additional four percent (4%) (i.e. up to \$7.84 for Platinum and \$5.88 for Gold).

14.1.5 Cost Containment. The Benefit Fund Trustees are directed to explore all reasonable methods of cost containment to minimize the Employer contribution obligations under the contract. In the event Medicare becomes secondary in the application of the retiree benefit plan, the Trustees will take immediate and remedial action to protect the financial integrity of the Plan.

14.1.6 Other Benefit Plans. It is understood that the Employer retains any existing rights which they may have, in their exclusive discretion, to alter, amend, cancel, or terminate any existing employee benefit plan or plans or part thereof that are not provided for in this Agreement.

14.1.7 Excluded Employees. Employees excluded from the bargaining unit who work for an Employer signatory to this Agreement may participate in any of the foregoing benefits under rules and regulations established by the Trustees. The trustees shall determine the contributions required for such benefits.

14.1.8 National Health and Welfare Coverage. In the event that there is passage of National Health and Welfare legislation, the parties agree to reopen the agreement for negotiations, the sole purpose of which shall be to negotiate language instituting prevention of duplicate costs for both the Employer and the employees involved.

14.1.9 Amendments. The Trustees are directed to amend the Trust Agreement or Benefit Plans to be consistent with the provisions of this Agreement. The Trustees shall have the discretion in acting on claims for benefits under the plan subject to review only in accordance with the arbitrary and capricious standard.

14.2 PENSION FUND.

No increase needed to maintain current benefits.

14.2.1 Trust Fund and Pension Plan. The Southern California UFCW Unions and Drug Employers Pension Fund (hereinafter “Pension Fund”) and the Southern UFCW Unions and Drug Employers Pension Plan (hereinafter “Pension Plan”) shall be continued for the life of this Agreement, subject to the terms of this Agreement and applicable law. Contributions shall be made into the Pension Fund as set forth below and shall be for the sole purpose of providing pensions for eligible employees as defined in the Pension Plan.

14.2.2 Benefit Formula. For the term of this Agreement, the basic formula will be twenty-seven dollars and thirty cents (\$27.30) for the first (1st) ten (10) years, and thirty-six dollars and forty cents (\$36.40) for each year thereafter. In all cases, the benefit will be the larger of the newly negotiated formula under this Paragraph, or the current accrued benefits through 1988, plus this new formula from 1989 forward. Participants with a separation in service on or before December 31, 1998, will have their benefits frozen at the previous amount.

14.2.3 Supplemental Benefit. The Trustees are to continue one-hundred-dollar (\$100.00) bonus program as a general obligation of the Pension Trust for the term of this Agreement.

14.2.4 Reciprocity. The Trustees are authorized to enter into reciprocal agreements with the Trustees of the other Retail Clerks Unions or UFCW and Retail Employer trust funds to provide for the transfer or preservation of credited service of employees working under the coverage of the Pension Fund and any such other trust.

14.2.5 Contributions.

14.2.5.1 The contributions credited for a given fiscal year shall be for hours worked in the twelve (12) month period beginning August and ending July of the following year. For example, contributions for the 2008 fiscal year shall be contributions due for work months August 2008 through July 2009.

14.2.5.2 Beginning July 18, 2021, the Employer shall contribute at the rate of eighty-three and six-tenths cents (\$0.836) per hour.

14.2.5.3 To comply with the Pension Protection Act (PPA), the Plan actuary shall provide a certification to the Trustees on an annual basis starting in 2008 stating whether or not the Plan is in endangered status or critical status for the Plan year. If the certification in any given year shows the plan to be either in endangered or critical status, the Trustees shall develop a Funding Improvement or Rehabilitation Plan, as required by PPA.

14.2.5.4 Employer shall not pay any amount in excess of the maximum deductible amount for the year in which contributions are paid by the Employer.

14.2.6 Other Pension Plans. The Employer retains the exclusive right to alter, amend, cancel, or terminate any Employer-sponsored pension plan or employee-retirement plan that existed prior to participation in this Pension Fund.

14.2.7 Laws and Regulations. The Trust Agreement and the benefits to be provided under the Pension Plan referred to above and all acts pursuant to this Agreement, the Trust Agreement and the Pension Plan shall conform in all respects to the requirements of the Treasury Department, Internal Revenue Service, and to any other applicable state or federal laws and regulations. If any part of the Pension Plan is determined by a Court of competent jurisdiction or an appropriate regulatory agency not to be in accord with the provisions of the Employee Retirement Income Security Act of 1974 or the regulations pertaining to such Act or any amendments thereto, the Trustees are authorized to modify the Pension Plan to conform with such Act or regulations.

14.2.8 Amending Agreement. The Trustees are directed to amend the Trust Agreement or the Pension Plan to be consistent with the provisions of this Agreement. The Trustees shall have discretion in acting on claims for benefits under the plan subject to review only in accordance with the arbitrary and capricious standard.

14.3 **RESOLUTION OF DIFFERENCES.** Differences between the Employer and the Union as to the interpretation or application of the provisions of the Trust Agreement providing for the establishment and maintenance of the Benefit Fund and the Declaration of Trust providing for establishment and maintenance of the Pension Fund, relating to employee benefits, shall not be subject to the grievance or arbitration procedure established in this Agreement or any Collective Bargaining Agreement. All such differences shall be resolved in the manner specified in the applicable Trust Agreement.

14.4 **PAYMENT OF CONTRIBUTIONS.**

14.4.1 Payments. Payment of contributions by the Employer required to be made to the trusts established under this Article 14 shall be made on or before the twentieth (20th) day of each month based upon all straight-time hours worked or paid for not to exceed forty (40) hours in any one (1) week during the preceding month by each employee covered by this Agreement. Such payments shall be accompanied by a list of names of the employees for whom such contribution is made, showing the number of hours worked or paid for as set forth above by each employee during the preceding month. Time during vacation periods (including vacation pay upon termination), sick leave, jury duty, bereavement leave and holiday absences which is paid for as provided for under this Agreement and all work performed on Sundays and holidays, exclusive of daily or weekly overtime, shall be considered as time worked, to which the provisions of this Article shall apply.

No fringe contributions shall be made on behalf of Christmas extra employees. However, should they be employed on or after January 16th, and Christmas Season employees who are hired back within seven (7) days, the Trust Fund shall credit them with all hours worked for health and welfare purposes retroactive to the date of hire as a Christmas extra, but no retroactive contribution shall be required from the Employer.

Contributions shall not be made for vacation payments made on the basis of industry experience as set forth in Article 8.3 and unused sick leave paid in accordance with Article 10.2. The Employer, by payments of the amounts provided for in this Article, shall be relieved of any further liability and shall not be required to make any further contributions to the cost of the benefits, either in connection with the administration of the plans or otherwise.

14.4.2 Audits/Collections. The Trustees are hereby authorized to institute periodic audits of Employer's contributions to ascertain whether such contributions have been and are being made, fully and accurately.

If any such audit should disclose either an under-reporting or nonreporting of required contributions, the Trustees, at their sole discretion, may assess all or a portion of the audit expenses against such Employer, which the Employer hereby agrees to pay. The Trustees may add reasonable interest charges to any unpaid contributions and the Employer also shall pay such interest charges.

If it should become necessary to institute legal action against a contributing Employer to collect unpaid contributions, the Trustees, in their sole discretion, may assess all or a portion of attorneys' fees and court costs against the Employer, in addition to any audit expenses. The Employer hereby agrees to pay such attorneys' fees and court costs. The Trustees are authorized and directed to establish a method to encourage regular and prompt payment by instituting the imposition of liquidated damages to those Employers who are delinquent in their payments.

The Employer agrees to make all pertinent books, and payroll records available to the Trustees, or their agents, for their inspection in the conduct of any audit performed pursuant to this Article.

14.5 BUSINESS EXPENSES. It is understood that the provisions of this Article are being entered into upon the condition that the payments made by the Employer hereunder shall be deductible as business expenses under the Internal Revenue Code as it presently exists or as it may be amended subsequent to the date of this Agreement and under any similar applicable state revenue or tax laws.

14.6 PENSION AND BENEFIT TRUST FUND APPOINTMENTS.

14.6.1 Designation of Trustees.

14.7.1 The Employer and the Union hereby accept the terms of the existing Health and Welfare Trust, and the Pension Trust Agreements. By this acceptance the Employer agrees to and shall become a party to both of said Trusts with the same force and effect as though the Employer had executed each original Declaration of Trust.

14.7.2 Any amendments that from time to time may be made thereto, including the creation of supplementary trusts to handle any of the funds referred to in this Agreement, shall be binding upon the Employer.

14.7.3 The Employer hereby specifically ratifies the appointment of Trustees made by the Employers as set forth in Paragraph 14.6 above, designates and appoints them or their successors, as their Trustees, and authorizes them to act in such capacity. The same parties that appointed the trustees shall appoint their successors.

15.1 NONDISCRIMINATION.

15.1.1 The Employer and the Union agree not to discriminate against any person in regard to hire, tenure of employment or job status because of race, creed, religion, color, national origin, age, or sex nor shall race, creed, religion, color, national origin, age, sex or disability be a basis for the rejection or termination of any employee or applicant for employment. Selection of applicants for jobs shall be on a nondiscriminatory basis and shall not be based on, or in any way affected by, Union membership, bylaws, rules, regulations, constitutional provisions, or any other aspect or obligation of Union membership, policies, or requirements, or by race, color, creed, national origin, age, sex or disability.

15.10 SEPARABILITY CLAUSE. The provisions of this Agreement are deemed to be separable to the extent that if and when a court of last resort adjudges any provisions of this Agreement in its application between the Union and the undersigned Employer to be in conflict with any law, such decision shall not affect the validity of the remaining provisions of this Agreement, but such remaining provisions shall continue in full force and effect, provided further, that in the event any provision or provisions are so declared to be in conflict with a law, both parties shall meet immediately for the purpose of renegotiation and agreement on provision or provisions so invalidated.

15.17.2 The Employer shall work with each Local Union to establish a Health and Safety Committee to discuss issues of Health and Safety at the stores. The Committee shall include up to one (1) bargaining unit representative for every twelve (12) stores (rounded up) with a minimum of two (2) bargaining unit representatives per Local. The Committee shall meet quarterly, upon request from the Local Union, for up to three (3) hours. However, if urgent safety issues arise, or if the Parties deem it otherwise necessary, the Committee may meet more frequently based on mutual agreement. Committee members shall be paid by the employer for time spent at committee meetings. The Committee will review and monitor the Employer's Disaster and Evacuation map during the Committee meetings as needed. The Committee will include Union and Company representatives as well.

The Employer and the Union encourage all employees, including shop stewards, to bring safety concerns, either from customers, fellow employees or through personal observation, to the attention of the store manager and/or to their safety committee representative for investigation and resolution. Managers, or their designees, will respond to these concerns in a timely manner, taking into account all the circumstances.

15.17.3 Each store's shop steward, or another employee designated by the Union, shall have access to inspect facility conditions and bring any hazards or unsafe conditions to the Company's attention. The Employer agrees to correct hazards and unsafe conditions, within its control, when the shop steward or designated employee brings them to its attention.

15.17.4 In the event an employee encounters an unsafe situation, the employee should inform the Employer to make them aware of the situation. The employee may also address their concern(s) with the Committee.

ARTICLE 16 - GRIEVANCE/MEDIATION AND ARBITRATION

16.1 **DISPUTES OR QUESTIONS.** Any and all matters of controversy, dispute or disagreement of any kind or character existing between the parties arising out of or in any way involving the interpretation and/or application of the terms of this Agreement shall be settled and resolved by the procedures and in the manner as set forth herein.

16.2 **GRIEVANCE FILING/STEPS.**

16.2.1 Discharge/Layoff. A discharged or laid-off employee has ten (10) days from the date of discharge or layoff, excluding Saturday, Sunday, and holidays, within which to file written protest with the Union (with notice to the Employer). Said discharge shall then be subject to this Article. If no protest is filed within said ten (10) day period, or within ten (10) days of the notice specified in Article 4.3.4, all rights possessed by said employee or the Union to protest the discharge or layoff are waived.

16.2.2 Wage Discrepancy. If a wage discrepancy is claimed to exist, the representative of the Union shall first (1st) attempt to settle it with the representative designated by the Employer.

Failing settlement at this level, the Union shall in writing notify the Employer of the alleged discrepancy and the names of the employees involved, and the period of time that such discrepancy is claimed to cover. Upon receipt of such written notice, the Employer agrees to promptly furnish the representative of the Union wage data pertaining to the alleged wage discrepancy. If the parties fail to settle such wage discrepancy, said discrepancy shall be subject to the provisions of this Article.

16.2.3 Reporting Monetary Discrepancies. A claim for unpaid wages, holidays, vacation, jury duty, sick leave, bereavement pay, or night, or Sunday, or for any other direct compensation, must be filed with the Union by the employee, promptly upon discovery. The Union shall, thereafter, if it believes such claim has validity, promptly notify the Employer. A claim not filed by the employee with the Union within twenty-one (21) days after discovery and not filed by the Union with the Employer within an additional ten (10) days, shall be deemed null and void. (The Union has thirty-one (31) days from the employee's date of discovery to file notice with the Employer.) Notwithstanding the foregoing, no wage or other direct compensation claim not involving interpretation of the contract can cause such Employer to pay such claim or any portion thereof retroactively for a period of more than six (6) months immediately prior to the date of the Employer's receipt of notice from the Union of the claim. In any event, the Employer's obligation to compensate an employee for unpaid time worked under Article 7.5, shall not be limited in any way by the foregoing, except for the six (6) month limitation.

The Employer shall promptly investigate all claims for failure to pay or incorrect payment of wages and premiums for time worked and pay any discrepancies within twenty-one (21) days of the date it is brought to the Employers attention.

The claim shall include the employees name, social security number, store number, approximate time period and nature of the claim.

16.2.4 Grievance Steps. For grievances filed on or after October 8, 2015.

16.2.4.1 Store Level. Employees, either directly or with their Union representative, shall attempt to settle or resolve any dispute with their store manager or supervisor within ten (10) days after discovery of the event, giving rise to the grievance. In the event the matter or dispute is not settled or resolved, the employee shall have ten (10) days in which to file a written protest with the Union with a copy of such notice to the Employer. The written grievance shall reasonably describe as fully as possible the matter at issue and contract provision alleged to have been violated, including the names of the individual(s) involved and the date(s) of the alleged violation, and the remedy sought.

16.2.4.2 Meeting with Human Resources. Within 10 days of receipt of a written grievance, the Union and the grievant shall meet with Human Resources.

16.2.4.3 Meeting with Labor Relations. Any matter not resolved with human resources within ten days shall be referred to Labor Relations, prior to a demand for Arbitration. Labor Relations or designated representative shall meet with the Union within seven (7) days of such referral.

16.2.4.4 Arbitration. Any matter not resolved with Labor Relations, within seven (7) days, may be submitted to arbitration by either party to this Agreement, provided that written demand for arbitration must be made within forty-five (45) days from the date of occurrence. Failure to comply with the time limits contained in this Paragraph shall render the grievance null and void. Any rights possessed by either the Union or the employee with respect to arbitration shall be irrevocably waived.

Within seven (7) days' receipt of the written demand for arbitration, the Parties may mutually agree to an arbitrator or shall select the arbitrator by the method of alternate striking of names from a panel of eleven (11) arbitrators furnished by the Federal Mediation and Conciliation Service ("FMCS") or American Arbitration Association ("AAA"). If the original panel is determined by either Party to be entirely unacceptable, a second panel will be requested by that Party.

The hearing shall be held within thirty (30) days after the arbitrator is selected, contingent upon the arbitrator's availability, with the further understanding that the arbitrator's award will be issued no later than forty-five (45) days after the hearing is completed.

16.3 TIME PERIODS. The time periods set forth above may only be extended by mutual written agreement between the parties.

16.4 POWERS AND LIMITATIONS OF THE ARBITRATOR.

16.4.1 The arbitrator shall determine the arbitrability of any dispute, should it arise.

16.4.2 The arbitrator shall not have the power to alter, change or modify this Agreement in any respect. The rights of the parties to make any changes, modifications or amendments to this Agreement shall be reserved to themselves only and shall not be subject to the arbitrator's authority.

16.4.3 With the exception of arbitrations involving suspension and/or discharge the expenses of the arbitrator shall be borne equally by both the Employer and the Union. All jointly incurred expenses (i.e., transcripts, reporters' costs, arbitrator's fees, and room rental) of arbitrations involving suspension and/or discharge shall be borne by the loser. Unless the grievance which has been submitted to the arbitrator is totally sustained or denied, it shall be deemed split, and the jointly incurred expenses shall be borne equally between the Employer and the Union.

16.4.4 The arbitrator's decision shall be final and binding on all parties hereto.

16.5 WORK STOPPAGES. Matters subject to the procedures of this Article shall be settled and resolved in the manner provided herein. During the term of this Agreement, there shall be no cessation or stoppage of work, lockout, picketing or boycotts, except that this limitation shall not be binding upon either party hereto, if the other party refuses to perform any obligation under this Article or refuses or fails to abide by, accept or perform a decision or award of an arbitrator, and fails to appeal to a court of competent jurisdiction.

ARTICLE 17 - EXPIRATION AND RENEWAL

This Agreement shall be in effect from July 21, 2024, to and including July 24, 2027, and shall continue from year to year thereafter unless either party shall give written notice to the other at least sixty (60) days prior to the expiration date of July 24, 2027 or at least sixty (60) days prior to any subsequent July 21 of any succeeding year of its desire to alter, amend, or terminate this Agreement.
